FEATURED PROGRAMS

Lyra

Lyra's mission is to transform behavioral health by getting more patients the care they need, when they need it—without the hassle and limitations of tradition plans. Using intelligent matching technology, Lyra connects employees to high quality, effective mental health providers and treatments that work, and gives them the flexibility of in-person care, live video therapy, and digital self-care tools.

Modern Health is a holistic mental health benefits platform for employers. Their solution covers the full spectrum of mental well-being needs through both evidence-based technology and professional support from a certified coach or therapist. Whether someone wants to proactively manage stress or treat depression, Modern Health guides people to the right care at the right time and can help companies save money in engagement and healthcare costs.

Rethink is a web-based program that provides families with best practice treatment solutions for children with special needs. The program includes 24/7 access to a Board Certified Behavior Analyst coach as well as a robust program that includes easy-to-follow videos, printable materials, and peer support to help caregivers work with a loved one with special needs. Parents can follow over 1,500 teaching videos depicting therapists working with children with all types of developmental disabilities or learning delays, and also use Rethink to coordinate care with medical professionals, teachers, and others.

Workit Health

Workit Health offers online, on-demand evidence-based addiction treatment via mobile and web apps. Their programs pair individuals with clinicians for one-on-one support that follows a personalized curriculum. They offer three tiers: Workit Coach for evaluation and prevention, Workit Counselor for online addiction treatment, and Workit Clinic for telehealth opioid or alcohol treatment with medication.
