

Mental healthcare that is precise, personal, and proven.

The future of mental healthcare is integrated, data-driven, and member-first. Spring Health meets the unique needs of each member, delivering a seamless experience across the continuum of care. We eliminate barriers to mental healthcare—driving better, faster clinical outcomes for members, and high ROI for clients.

End-to-end support for members and families:

Custom care plans

Care appointments in under 2 days

Virtual & in-person therapy (ages 6+)

Diverse provider network

Coaching

24/7/365 crisis line

Medication management

Manager resources & training

Dedicated Care Navigator

A recent case study across several large clients demonstrated:

28% employee engagement

1.6X less likely to turnover after sign-up

\$225 in annual productivity savings per employee
