

Bring transformative brain health technology to your workforce.

Wave Neuro's brain performance solution allows you to measurably impact the mental health and brain performance of your employee base to drive improved business performance and offers an innovative way to attract and retain talent.

Mental illness
is on the rise.

1^{IN} 5 U.S. adults
experience mental
illness each year

90%
OF INDIVIDUALS are not operating at their brain's full
capacity or at peak performance -
this impacts things like sleep,
cognition, mood, and focus

32%
OF WORKERS think their current benefits
effectively address their
mental health needs

Be a part of
the solution.
