

# Smarter vision care without the blind spots

Traditional vision insurance hasn't evolved in 20+ years, but your people's needs have.

**Limited access: 50%**  
Employees who use their vision insurance

**High costs: \$230/pair**  
Even with insurance, employees pay an average of \$230/pair

**Poor experience: -8 NPS**  
Vision insurers have low member satisfaction

**XP Health is different.** Our digital-first platform easily replaces traditional vision insurance while keeping costs low and satisfaction high. XP Health provides:

## AN EYEWEAR MARKETPLACE WITHOUT THE MARKUPS

### ACCESS FOR ALL 100% USAGE

With XP Health, even those with 20/20 vision can use their benefits for sunglasses, blue light glasses, and more

### LOWER COSTS \$42/PAIR

Offer 1,500+ designer frames & sunglasses at an average cost of \$42/pair

### GREAT EXPERIENCE +72 NPS

Our online marketplace uses intuitive AI technology and virtual try-on to find the perfect eyewear

## IMPROVED ACCESS TO EYE EXAMS

### In-person eye exams for \$0

Employees can choose from 99,000+ providers at private practices & national, regional, and local retail chains.

### RX renewals on demand

Employees can get the care they need through simple online prescription renewals.

## TRUSTED AND VETTED

We're partnering with innovative organizations and recognized by top publications.
